GIFT AID MAKES YOUR DONATION WORTH MORE

For every pound you give to us, we receive an extra **25** pence from the Inland Revenue at no extra cost to you. Unfortunately, Gift Aid does not apply to corporate donations.

I wish the Scientific Exploration Society Charity No: 267410 (SES) to treat all donations including membership subscriptions that I make from the date of this declaration as Gift Aid donations, until I notify you otherwise.

I confirm that the amount of income tax and/or capital gains tax that I pay each year is equal to or greater than any tax reclaimed by the SES.

NOTES:

1. You can cancel this declaration at any time by notifying the SES in writing.
2. You must pay an amount of income tax and/or capital gains tax at least equal to the tax the SES claims on your donation in the tax year (currently 25p for each £1 you give).
3. If, in the future, your circumstances change, and you no longer pay tax on your income and/or capital gains, equal to the tax that the SES claims, you can cancel your declaration (see note 1.).
4. If you pay tax at the higher rate, you can claim further tax relief in your Self-Assessment Tax Return.
5. Please notify the SES if you change your name and address.
